

# HELP YOUR CHILD TO DREAM ABOUT THEIR CAREER

## WE NEED YOUR CONSENT FOR 2022

You'll be receiving the Career Activity Registration Form for the Growing Careers Project.

We're giving your child the opportunity to grow their career knowledge and skills, to help them succeed after they finish school.

Signing the form, gives us permission to collect data and track your child's progress along the way, so we can watch them learn and grow.

# WHAT IS THE GROWING CAREERS PROJECT?

The Growing Careers Project is providing young people across Australia with access to career support in high school. Your child will have the opportunity to participate in career programs over the next three years, to give them the best opportunity to succeed after they finish school. This could be anything from a short activity, to online mentoring or spending a few days in a workplace.

## WHY ARE WE COLLECTING DATA?

The Smith Family, who is running the Growing Careers Project, wants to research and evaluate how the project works for your child and for other young people across Australia.

This is a government-funded project and what we learn could positively change how careers education is delivered in the future. We want to learn as much as we can about how to better support young people in their career decision-making in the future.

## WHAT DO WE NEED FROM PARENTS AND CARERS?

We need you to sign the Career Activity Registration Form provided by your school.
